

Winehotel in Volkach at the „Mainschleife“ in Franconia

The Romantikhôtel zur Schwane in Lower Franconia has been welcoming travelers from all over the world since the year 1404 and offers you a wonderful place to stay.

In the 30s, the host family Pfaff took over the business,
Today it's operated by Eva Pfaff-Düker and her husband Ralph Düker with heart and soul.

In 1996, Eva and Ralph Düker fell in love with the Schwane and took over the wine hotel in Volkach on the Mainschleife in Franconia.
They had a great vision at the time and mustered the courage to expand the existing vineyard area, move out with the winery and focus on a modern style of wine.

The tradition of the boutique hotel in Volkach still lives on in all its walls.
The rooms of the wine hotel in Franconia have also remained as noble as they are authentic.

Enjoy Franconian cuisine in a young and innovative way.

Thank you very much for your stay,
your Schwane Team
